Since the TASO deadline to renew and avoid an additional \$25 late fee has been extended the ACV deadline has also been extended to May 4th.

The deadline to take advantage of scrimmage credits, earned last season, has also been extended to May 4th as well. It only takes a few minutes to complete your renewal application on the ACV website.

2021 Calendar UPDATED !!!

We have made updates to the training calendar in June because, fortunately, we have been invited to officiate a couple of summer leagues and thus have on-court training opportunities. We will still hold the Webex Training sessions. We just had to adjust the days to allow for the Summer Leagues being held on Sun - Tue nights in June. This mostly affects our New Members, but remember all members are invited to attend any of our Webex sessions. For Returning members, as you plan your summer, consider the offerings and decide which training will benefit you the most to meet your 5 meeting obligation per TASO. Returning members can attend as many training sessions as they wish.

If you are a new official with in the last 3 years, you may want to attend more training sessions. If you were a new official last year or if you just want some extra on-court time and feedback from our training team please reach out to [Christle Miersma](#), VP/Trainer, to get on the list to work at the summer leagues.

Remember our Training Team will be by invitation only and Returning Members are

encouraged to attend the Mentors Meeting even if you have not volunteered to be a mentor. Those invited to the Trainers Meeting can also overlap as mentors, but you will not be required to attend both unless you wish. Both meetings will count toward your 5 meeting obligation.
