2023 Calendar and Training Requirements Posted

The ACV 2023 Calendar is posted on the ACV Website and downloadable as PDF or to your google calendar. The PDF version is color coded. Like last season, we have many Webex Training Sessions. Most of these are required for New Members and recommended for Returning Members. As you plan your summer, consider the offerings and decide which trainings will benefit you the most to meet your 5 meeting obligation per TASO. Returning members can attend as many training sessions as they wish.

If you are a new official with in the last 3 years, you may want to attend more training sessions.

Required Scrimmages

MARK YOUR CALENDARS TODAY!

Please remember that everyone needs to attend at least 3 hours of scrimmages on **August 4th or 5th** (Possible scrimmage credit for those who exceed 3 hours).

- Returning members who do not attend a minimum of 3 hours of scrimmages and do not ***notify their ALR prior to June 1st to make other arrangements*** will be subject to being assigned after all other eligible officials during the regular and post-season.
- Please plan accordingly to complete your required training early – there will not be any additional sessions added as “make-ups”.

Spring/Summer League On-Court Opportunities

If you are a new official with in the last 3 years or if you just want some extra on-court time and feedback from our training team, please reach out to [Rhiannon-VP/Trainer](#) ASAP to get on the list to work at the McCallum Spring League Wednesday's March 22nd-April 26th.

For the last several years we have published a process for those interested in working higher level matches than what they are being assigned. That process is to complete a self-evaluation available on our [website](#) and then contact the trainer during the off-season so that we can schedule an evaluation with a trainer during an early season match or summer league.

Now is a great time to take care of this!

If you are interested in an eval, please complete the self-eval and request an evaluation before June 1st.

TASO Needs Presenters for the 2023 State Meeting
