ACV Events

Upcoming ALR Meetings

You should have received event invite notifications from Arbiter for the upcoming **ALR Annual Policies & Procedures Webex Meetings**. The dates are:

- May 18th at 6:30 PM

or

- June 22nd at 6:30 PM

Please sign into Arbiter and choose which date you be attending and **accept that date only**. If you have already accepted both sessions and don't plan to attend both, please unaccept the one you don't plan to attend. Please keep in mind these meetings will be reviewing the same information but we are offering multiple dates for your convenience. You are only required to attend one of the ALR Meetings.

Please review the ACV Calendar to plan your season. If you use Google Calendar, you can simply subscribe to [this calendar](#).

2020 Training/Meeting Requirements – Simplified!

By member's request, the meeting requirements have been simplified for 2020. All returning members are required to attend scrimmages and 5 total meetings/training sessions:

- 3 hours of scrimmages on August 7th or 8th (Possible scrimmage credit for those who exceed 3 hours)
- 1 ALR Session of the 3 available (highlighted in blue). Highly recommended to attend in May or June.
- 4 other sessions (of the 10 available) of your choosing (highlighted in orange and yes, including attendance at the state meeting)

- Returning members who do not attend a minimum of 3 hours of scrimmages and do not notify their ALR prior to May 1st will be subject to being assigned after all other eligible officials during the regular and post-season.
- Please plan accordingly to complete your required training early – there will not be any additional sessions added as “make-ups”.
- Members should attend one of the first two ALR Meetings. Members will not be “excused” for missing meetings.
- Members who have attended 3 hours of scrimmages, an ALR session and 4 other sessions by September 16th will be eligible for playoffs.

If you are a new official with in the last 3 years, you may want to attend more training sessions. Mentors who attend the Mentors Meeting and members of the training team who attend the Train the Trainer or assist with presentations at the intermediate or advanced clinics will receive credit toward their 5 meeting requirements. The calendar is posted on the website and downloadable as PDF or your google calendar.

Reminders from the Assigner

ACV will be moving toward paperless pay sheets in 2020. You will no longer need to print and take pay sheets to your matches. Schools will have the ability to print their own pay sheets for this season from Arbiter (they may ask you to sign it or another form to verify your attendance). We are encouraging all schools to use Arbiter Pay, as this will alleviate the need to submit a W9 as well since Arbiter keeps that information. If a school needs a W9 for an official (and does not use Arbiter Pay) then we will deal with that after the fact.

Availability to officials will be sent out in April after schools have a chance to receive the above notification. This will allow us to note which schools will have chosen to use Arbiter Pay.

Recruit'em

Training season is fast approaching so keep recruiting.

Remember, you can earn recruiting bonuses plus a mentor bonus if you mentor your recruit(s). Our training for the 2020 season will begin with our first New Member Orientation on April 29th. If you know someone, please direct them to the [New Member](#) section of our website where we have information on becoming a new member. Or, send [Christle-VP/Trainer](#) their contact information so they can start getting update emails for this year's training.
