2022 Calendar and Training Requirements Posted

The ACV 2022 Calendar is posted on the ACV Website and downloadable as PDF or to your google calendar. The PDF version is color coded. Like last season we have many Webex Training Sessions. Most of these are required for New Members and recommended for Returning Members. As you plan your summer, consider the offerings and decide which trainings will benefit you the most to meet your 5 meeting obligation per TASO. Returning members can attend as many training sessions as they wish.

If you are a new official with in the last 3 years, you may want to attend more training sessions. ALL Returning Members are encouraged to attend the Mentors Meeting even if you have not volunteered to be a mentor. Those invited to the Trainers Meeting can also overlap as mentors, but you will not be required to attend both unless you wish. Both meetings will count toward your 5 meeting obligation.
