### Summer League On-Court Opportunities

If you are a new official with in the last 3 years or if you just want some extra on-court time and feedback from our training team, please reach out to [Rhiannon-VP/Trainer](#) to get on the list to work at the summer leagues in May/June/July.

For the last several years we have published a process for those interested in working higher level matches than what they are being assigned. That process is to complete a self-evaluation available on our [website](#) and then contact the trainer during the off-season so that we can schedule an evaluation with a trainer during an early season match or summer league.

Now is a great time to take care of this!

***If you are interested, please complete the self-eval and request an evaluation before June 1st.***
