We Want You Back Next Year!

It is time to think about next year and we want EVERYONE back. As you know this year, we were short officials due to Covid-19. Janiece went above and beyond with all the schedule changes. Her job is extra hard when we do not have enough officials to cover all the matches. That is why we want to invite you back next year. If you renew with ACV before December 1st you can take advantage of any scrimmage credits earned. After that it will be \$30, but you still save \$25 if you renew before April 15th, 2021. It only takes a few minutes to complete your renewal application on the ACV website.

Also, we have started compiling a list of potential new members for next year. Remember, you get a bonus if you recruit new members who officiate with us. You also get an extra bonus if you mentor those you recruit. Please contact [Christle Miersma](#) if you have any questions on recruiting for next season.

October - What's the Call survey results.

2/3 said there was no positional fault and play should continue, which is correct! We usually have only a moment to make this judgement call. The key is to know where your setter is and who is opposite her in rotation. It is also helpful to know who your libero is replacing and their opposite. ANSWER CHOICES	RESPONSES
