Assigner Reminders

**Make sure you are checking Arbiter
and your emails on a daily basis!**

Keep your Blocks up to date.

Accept matches/tournaments in a timely manner.

Automatic declines occur on the 7th day in normal cases.

Contacting Janiece - Our Assigner

Emergencies on day of match – contact via phone or text –512-844-7285
Remember she may be officiating a match as well.

Non-emergencies – Arbiter questions (how to block, how to complete a report, etc.) – contact via email at jnelsonofhutto@gmail.com.

The 1st Assigning Fee Invoice will be generated on 9/1 and is due by 9/5.

Schedule can be found [HERE](#).

Miller/Goodnight Breast Cancer Awareness/Treatment Fundraiser Tournament

Volunteers are needed to officiate at the Miller/Goodnight Breast Cancer Awareness/Treatment Fundraiser Tournament on **Saturday, October 1st**. The tournament will be held at Miller and Goodnight Middle Schools in San Marcos ISD. It will open for self-assignment on 9/2.

For newer officials, this is a good opportunity to fine tune your volleyball skills.
If you want to volunteer and cannot self-assign, please contact [Janiece](#).

Please remember to be
professional - in your
appearance and demeanor.

We are there to do a job.
We are there for the kids.

Make extra effort to not be
rude or mean and make
sure you don't look like you
just got out of bed!

Jewelry is still not allowed.

ALL teams are switching
sides between sets!

Unless they have a letter from UIL.

TAPPS schools (the private schools):
They have the option, if both coaches
agree, to stay on the same side.
If they don't agree, they switch sides.

You Must Communicate With Your Partner!

Make sure you are
emailing/texting/calling
your partner to
coordinate your shirt
color.

If possible, have both
shirts in your car in
case something
happens and you and
your partner end up in
different shirts!

If you are having trouble keeping track of what shirt to wear on
which day, you can place a NOTE in your Arbiter match once
you and your partner decide what to wear.

Email the board if you find ref stands/equipment that can use some work - ones that don't feel safe, extreme rust issues, jagged metal pieces sticking out, etc...
Photos help.

We are going to reach out to the schools that have some issues at the end of the season so that they can hopefully fix them before next year!
