### **Message from Assigning Secretary**

Playoffs start Monday. Please review the Playoff platter on the ACV website. Also be sure and take two (2) paysheets to the site and follow the directions listed on the playoff platter. Please help Janiece out by keeping your availability up to date through 11/10.

### **TASO Solicitation Policy**

Now that playoffs have begun, please take time to review the TASO Solicitation Policy. If an official is approached by a coach about officiating a future playoff match, TASO's recommended response is, "Please contact our Chapter's Assigning Secretary since she is the one who handles playoff requests."

### **Reconciling Payments**

Now that the regular season has ended, officials need to review any matches for which payment has not been received. For more information on missing payments, please check the ACV website. Also, please consult with your co-official for the match before proceeding to reach the business office contact.
