ALL teams are switching sides between sets!

Unless they have a letter from UIL.

TAPPS: Teams may stay on their side of the court provided BOTH coaches agree prior to the match.

If both coaches do not agree to stay on the same side, teams will change sides at the end of each non-deciding set.

You Must
Communicate
With Your
Partner!

Make sure you are emailing/texting/calling your partner to coordinate your shirt color.

If possible, have both shirts in your car in case something happens and you and your partner end up in different shirts!
